30 Years of Excellence

Alphanumeric, a privately-held, woman-owned enterprise, has served pharmaceutical, state and local government, education, healthcare and professional services clients for three decades. Established in 1979, Alphanumeric has grown from a staff of three to its current employee base of more than 250, supporting both commercial and government organizations. Alphanumeric has received numerous awards and recognition, including 15 years as a *CRN Magazine* VAR 500 Solution Provider, *Triangle Business Journal's* Top IT Networking Company, and many others.

Vision Statement

We are the trusted partner for technology solutions (services, software, hardware, and outsourcing solutions) by enabling our clients in public sector and commercial markets to exceed their business goals. We will grow by maintaining our culture of excellence to our clients, our employees, and to the communities where we serve.
